

CHANGING PEOPLE'S LIVES

One of the perks of working with Kara Vita is having the privilege to help mothers shine – whether it is through a great skincare regimen, a tremendous business opportunity, or through their contributions to their communities. In the month of February, Kara Vita had the opportunity to assist mothers as they participated in community events.

One mom in Texas wrote, “I am a leader in the Frisco MOPS group. MOPS stands for Mothers of Preschoolers. MOPS is a non-profit international organization that exists to meet the needs of every mom – urban, suburban and rural moms, stay-at-home and working moms, teen, single and married moms – moms with different lifestyles who all share a similar desire to be the very best moms they can be!

“My Favorite Things”

MOPS – Moms of Preschoolers enjoying Kara Vita samples.

“We are a new MOPS group and in our second year of outreach to Mothers of Preschoolers in Frisco, TX. We reach 50 mothers bi-weekly. On Friday, February 13, our leaders are hosting a ‘My Favorite Things’ meeting. We are copying Oprah’s format (on a much smaller scale). My most favorite thing is Kara Vita.”

Now, we certainly love to hear that! With great pleasure, we donated 50 sets of samples to the non-profit Prestonridge MOPS group in Frisco, Texas.

We were also able to help a mom in Ohio with her son’s High School Band Booster fundraiser. North Royalton High School Band boosters held their third Annual Reverse Raffle on Feb. 21, 2009. Kara Vita donated several bottles of sunscreen, which were placed in “outdoors activity” themed gift baskets.

Kara Vita is always there in ways big and small helping moms to shine, and changing people’s lives.
